Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments:

We discussed the metes and bounds of film practice in the claims as compared to the above cited prior art. Exr. Marschel comments on the previously pointed to description on page 11 of the instant specification as lacking sufficient specificity regarding what is meant by a film in the instant claims and that specific wording as to film practice amended in to the claims may overcome the rejections based on the above listed prior art references.
